

Biography

Carol A. Curran RNC, MS, OGNP

Senior Perinatal Educator & Business Specialist, Medical Interactive

Ms. Curran has been a practitioner in high risk obstetrics for 25 years. Her clinical experience ranges from Los Angeles to Virginia Beach and from clinical staff nurse and OB-Gyn Nurse Practitioner to founder and CEO of Perinatal University. She is a nationally recognized expert in Electronic Fetal Monitoring (EFM).

Ms. Curran earned her Bachelor of Science in Nursing from Radford University in Virginia in 1987 and her Master of Science in Nursing from Virginia Commonwealth University in 1992. She practiced at several tertiary care hospitals including the Medical College of Virginia in Richmond, VA where she gained expertise with critical care obstetrical patients requiring arterial lines, pulmonary artery catheters and ventilator support. Ms. Curran is a nationally known speaker and educator in clinical obstetrics. She has authored and co-authored many articles and chapters published by JOGNN, JOPNN, AJMCN, AWHONN's *Perinatal Nursing Textbook* (3rd Ed), Lippincott Manual of Nursing Practice (10th Ed). She co-authored *abcdEFM The Textbook & Pocket Guide: Electronic Fetal Monitoring*.
