

# Biography

## Paul M. Davis, MD

Dr. Davis is a native of Shreveport, Louisiana. He completed work for a bachelor's degree in biology at Southern Methodist University in Dallas, Texas, and earned his medical degree from Louisiana State University Medical School in Shreveport. After completing a general surgery residency at LSU Medical School, he received plastic surgery training at Vanderbilt University Medical Center in Nashville, Tennessee. There he gained experience in reconstructive, microvascular, craniofacial and cosmetic surgery. Then, at the Institute for Reconstructive Surgery in Nashville, Dr. Davis completed additional fellowship training, working with the world-renowned Dr. Patrick Maxwell and performing extensive cosmetic and reconstructive procedures.

Dr. Davis is double board certified by the American Board of Surgery and the American Board of Plastic Surgery. He is a member of the American Society of Plastic Surgeons, the Louisiana State Medical Society, the Shreveport Medical Society, the JB Lynch Surgical Society and the John C. McDonald Surgical Society. He is a Clinical Assistant Professor of Surgery in the Division of Plastic and Reconstructive Surgery at the Louisiana State University Medical Center in Shreveport.
